## Route Signs

Highly visible and easy to use! Route or Bus numbers can be easily changed by hand. Hinge-mount Route Sign can be supplied with "Route" or "Bus" decals. Custom decal wording also available.

## Stop Arm Blades/Decals

Protect your "precious cargo" by replacing worn-out Stop Arm Signs to ensure high visibility. We offer signs, decals, and hardware to meet all your replacement needs.

GSS PART NUMBERS	Decal Message			
	"STOP"	"ARRET"	Blank Red	Blank /"STOP"
Decal Only	13000222	13000322	13000422	—
Sign with Decals Affixed	13100122	13100222	—	13100322
Wind Guard	13000522	—	—	—
Kit – Sign, Wind Guard, Hardware	13100422	13100522	—	13100622

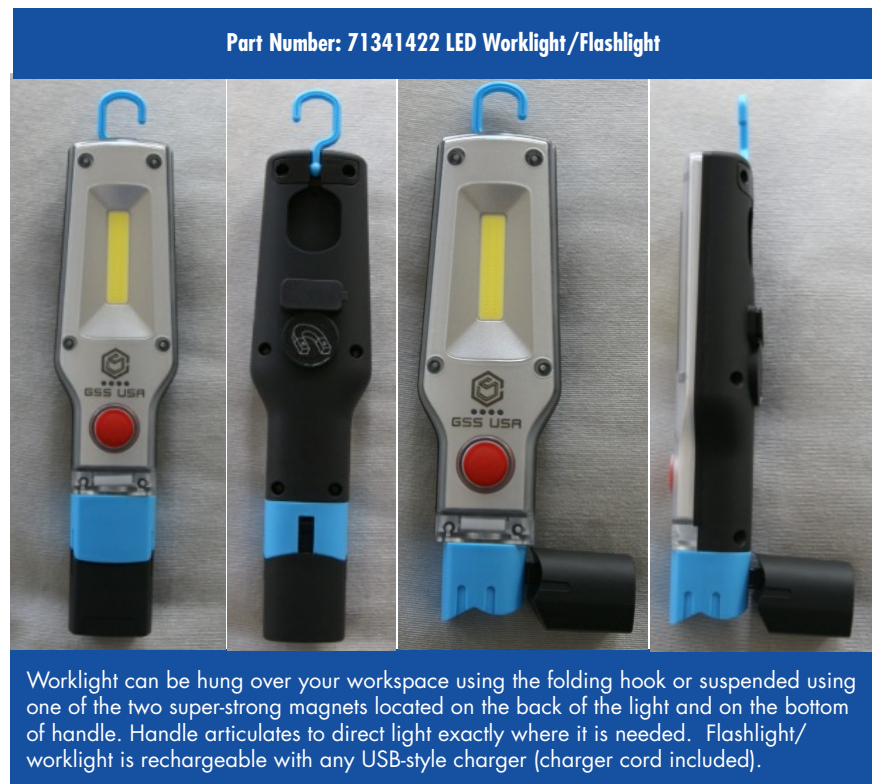

## Seat Tape

Tackle those seating repairs using our super strong seat tape. Designed with extra adhesion to ensure that it stays where it's applied! 2.8" wide tape, 180 feet on a roll.

## Worklight/Flashlight

3 Lights in one! A 120 lumen flashlight on the top and a dual brightness worklight (1000/2000 lumens) will provide all the illumination you'll ever need.

## For additional information or to place an order

At GSS USA we work with the Commercial Vehicle Market to develop new global sources for OEM and aftermarket components and assemblies. From locating and qualifying new sources to complete 3PL sourcing/importing/warehousing solutions, we do it all. To learn more or to place an order, call **(888) 233-0187** or email **info@gss-usa.net**.
